

AUSTRALASIAN LONG-TERM CONDITIONS CONFERENCE 2014

HEALTH - THE ART OF THE POSSIBLE

Waipuna Hotel
and Conference
Centre, Auckland

The health needs of our populations are changing. They are getting older, sicker and more complex.

- Long-term conditions are everyone's problem
- Workforce shortages are looming
- Costs are escalating
- Patients are the largest untapped resource

➔ A major paradigm shift is required

Join us to explore how science, people, technology and new models of care can be combined to create – *Health - the art of the possible.*

- ✓ Fabulous speakers
- ✓ High calibre pre-conference workshops
- ✓ Stimulating debate, discussion
- ✓ Networking and learning

Come and be inspired by speakers making a difference to current healthcare paradigms and be part of the solution!

Professor Chad Boulton, USA, promising paths for integration and complex care

Wendy Horne, Executive Dean, Unitec, NZ. Workforce in the future

Dr Nick Goodwin, UK, CEO International examples of integrated care and the relevance of context

Dr Sue Boyd, Australia, Behavioural Change Specialist

Michal Boyd, NZ, nurse practitioner and clinical leader. Innovations and aging in New Zealand

Ross Dawson, Australia and USA, **keynote futurist**, entrepreneur, strategy advisor and author. What's on the horizon?

Dr Robyn Whittaker, NZ. Mobile health as an enabler for new models of care

Dr Sharad Paul, NZ and Australia, - the changing paradigms of healthcare and why current models are unsustainable
